

Memo No. MTTP 2020-01 – Reminder on Completion of Registration  
(from E-Memo No. MTTP 2020-01 dated 01/16/2020)

Dear College Secretaries and Graduate Program Coordinators,

Please remind all students to complete the registration process up to payment or up to printing of Form 5 (for those qualified to avail of Free Tuition). Completion of registration is very important to avoid being tagged with ineligibility and/or to be included in the first tranche of CHED Billing and Insurance reports.

Thank you very much for your continued support and cooperation.
